

Emergency School Closure Arrangements Due to Incident or Adverse Weather

In the event of disruption due to severe weather conditions or other significant event The Grange School will always consider the safety of its pupils, team member and visitors as paramount.

The school will strive to remain open, wherever possible, to ensure the continuity of the education that our pupils receive. Decisions taken to close the school will be made by the Head Teacher taking into consideration the safety and accessibility of the school site.

In the event of the school having to close or partially that our close, parents/carers will be notified by telephone. We politely remind parents/carers that they should ensure the school has up to date contact telephone numbers and email address details to ensure that we can contact you. The Head Teacher will aim to make a decision by 07:00am in the case of incidents and/or adverse weather that may have occurred overnight.

We will aim to update the school website as soon as possible with any information. If severe weather should develop during the school day, the school will aim to remain open until the end of the day (2.45pm). However, if this is not possible parents will be contacted by telephone and asked to make arrangements to collect their children as soon as possible.
