

Lunch Arrangements

At The Grange School, we are passionate about encouraging our pupils to eat a healthy and balanced diet, and to learn the skills to prepare nutritious food for themselves and each other.

We utilise lunch times as an opportunity for our pupils to develop their social interaction skills and to form positive relationships with peers and team members. We encourage our pupils and team members to eat together and to use this time positively and appropriately.

As we do not offer school lunches, pupils are welcome to bring a packed lunch each day along with a soft drink or a refillable water bottle. We do not allow fizzy drinks or energy drinks on the school site. To encourage our pupils to make health choices, nutritious snacks, toast and fruit will be available at school each day.

As part of our school ethos, we aim to foster a community spirit and provide opportunities for our pupils to experience other cultures, religions and celebrations. As part of the school curriculum, pupils will have the chance to design meals, cook for each other and explore food from all around the world. We aim to include our parents/carers, where possible, in these experiences.
